SWCARC, Inc. Mission Statement

The Mission of The Southern Worcester County ARC, The Center of Hope, is to provide supports that will assist individuals with disabilities;

By fostering the acquisition of those skills necessary for obtaining and maintaining employment and a desired standard of living.

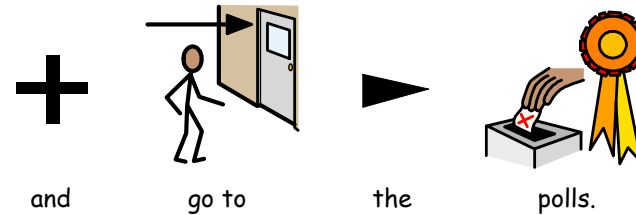

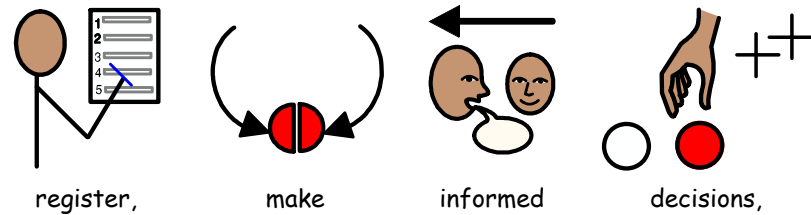

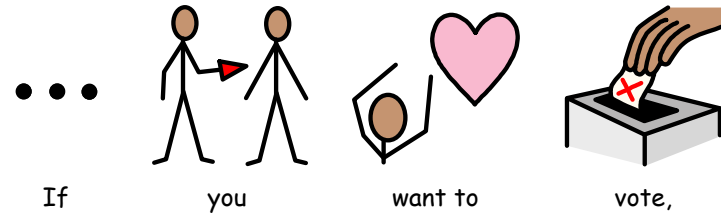

By assisting individuals with severe disabilities to develop and acquire those services and resources which meet their goals for the most meaningful and comfortable life options possible.

By facilitating the development of the necessary confidence and self-esteem crucial as a basis for one's growth, development, and independence.

By providing training to individuals to independently engage those resources necessary for enhancing their security, well being, and quality of life.

By assisting with the development and nurturing of fulfilling relationships.

To be a contributing member to their families, friendships, and larger community.
