All events will be held at 7:00 p.m.  
Free and open to the public.  
Please register by calling Cindy Howard at 508-764-4085

These events will be similar to the Listening Tours that the Senate is having around the State. Feel free to attend 1 or all 3 events. This will be more of an intimate setting for you to build relationships and get to know your constituents. In turn they will get to meet you and your family members, allowing them to better understand your needs and concerns.

More details pertaining to the organizing of the Central Mass Annual Legislative Breakfast will be available later in the year.

Any questions pertaining to the event or if you are interested in developing an "elevator speech" (short, direct statements that clearly tells your story) feel free to call Cindy Howard at 508-764-4085.
